

Community Information Workshops

Be prepared
this summer to

BEAT THE HEAT

Is your local community facility or home prepared for the heat this summer? Want to make your home cooler without contributing to greenhouse gases and costing the earth?

Yarra City Council is holding two Community Information Workshops on keeping your home and community facilities cool this summer. The workshop will cover energy efficient cooling, heat health promotion and preparing for extreme situations. There will be presentations by Yarra City Council and Red Cross, and plenty of time for discussion and questions.

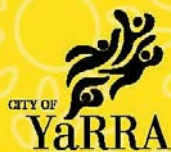

When: 10.30am - 12.00pm on Wednesday 11 November

Where: North Yarra Community Health, 365 Hoddle Street (near Johnston St) Collingwood

When: 1.30pm - 3.00pm on Thursday 19 November

Where: Holden Street Neighbourhood House, 128 Holden Street, North Fitzroy

Places are limited, please RSVP. Email jared.osborne@yarracity.vic.gov.au or call 9205 5093.
